1. Work from Home.

Be your own boss in your own home business. Work when you want. Where you want. Flexible hours. No dress code.

2. Earn Income In Over 200 Countries Worldwide

Yes, for the first time in history, even the smallest business can market worldwide. The SFI system makes it super easy to build an international business.

3. Automatic Marketing System

We'll teach you how to get hundreds of people to visit your SFI Website using numerous free and low-cost Internet marketing strategies and techniques. Once at your SFI Website, our exclusive automated marketing system can do 99% of the business presentation and follow-up for you...24 hours a day, 365 days a year...AT NO COST TO YOU!

4. FREE 24-Hour Professional Consultation

Each SFI affiliate is assigned up to three leaders to provide free consultation and support.

5. A Family Business with Tax and Inheritance Benefits

Your family can work with you ...allowing you tax deductions on help from your children. Plus, deductions for travel, publications, seminars, gas, phone, electricity bills, etc.. Save money. Plus, you can pass on your business to future generations.

6. Piggyback on our PROVEN Success

Since 1985, we've invested millions of dollars creating, testing, and refining our powerful marketing system. How successful is the SFI system? SFI is currently growing at a rate of over 100,000 new affiliates per month (over 3,000 per day). Why? SFI works!...as tens of thousands of our affiliates who are receiving monthly commission checks will enthusiastically attest!

7. Tap the Exploding Global Market of the Internet.

The Internet is global. Worldwide. Exploding! USA TODAY recently reported that over 170,000 new people are getting online every 24 hours. Many smart business people are becoming millionaires on the Internet. *And this is just the beginning!* With SFI you can grab your share.

8. Build a Global Network of Success-Oriented Business Partners Worldwide

Develop valuable contacts around the world! As a partner on our global marketing team, you will associate with entrepreneurs, architects, doctors, engineers, investors, business people, teachers, secretaries, computer enthusiasts, managers, business owners, mothers, students, construction workers, housewives and people of all walks of life -- *globally!*

9. FREE Training

As our global business partner, we'll show you how to plug into our dynamic online system to build a highly lucrative business on the Internet. Our exclusive newsletter and Website training provides you with all the latest tips, ideas, and insider how-to information to create multiple income streams:

- How to parlay as few as 3-5 hours a week into a full-time income without interfering with your current job, profession, or career (it's great for super busy people).
- How to use Internet technology to be "in 50 places at one time" and make your income explode
- How to use "self-funding" marketing techniques to get all your advertising FREE.
- How to avoid the minefields, dead ends, and bottlenecks that 95% of Internet entrepreneurs encounter soon after starting their business.
- How to set up "win-win" strategic alliances so that your success is virtually guaranteed through associations with thousands of other online marketers.

10. The Lowest Cost Way to Earn Income Online.

Thanks to the Internet, your business expenses are minimal. You can contact millions on the Internet via email, search engines, directories, free ads, etc. All free! No door to door sales. No postage. No printing. No brochures. No tapes. No videos. No long distance calls. Instant communication -- worldwide. Save loads of money.

11. Turn Your Dreams into Reality.

Anyone, regardless of country, financial situation, education, experience, or background has an equal opportunity to reap the rewards of success this opportunity offers. You could have your home in a country with a low standard of living and be able to earn more money than a person in the richest country in the world. This is because your income can come from the productivity of people in dozens of countries.

12. A Global Income is a Secure Income.

As the world becomes more global, the economy of one nation can affect the financial situation of all other countries. By having your income come from many countries -- no matter where you live, you will have a more steady and secure income.
