Membrane Keypad Quick Reference Sheet

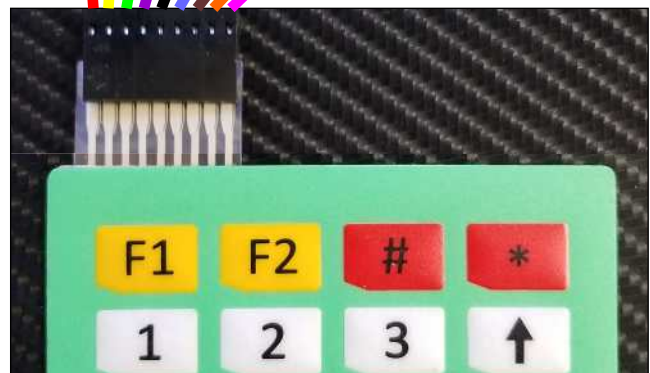

Internal matrix of internal connections. Front view, with keypad removed to expose internal wiring.

Wiring used in lesson.

These column values match the Arduino pin numbers for ease of programming

Arduino pin numbers	Row values	2	3	4	5
10	22	24	25	26	27
9	18	20	21	22	23
8	14	16	17	18	19
7	10	12	13	14	15
6	6	8	9	10	11

When using the program in the lesson, these are the Arduino pin connections and subsequent values of each key.
