Play PS One and PlayStation 2 Games on PlayStation 3

(https://twitter.com/intent/tweet/?text=Play PS One and PlayStation 2 Games on PlayStation 3&url=https://support.playstation.com/s/article/Play-PSone-and-PlayStation-2-Games-on-a-PlayStation-3?language=en_US)

- All PlayStation®3 systems can play most PS One games.
- Certain PS3™ systems have the ability to play disc-based PlayStation®2 software titles (backwards compatible).
- All PS3™ systems have the ability to play downloadable PS One and PlayStation®2 Classics available from the PlayStation™Store.

The compatibility of disc-based PlayStation®2 format software titles for use on the PlayStation®3 varies by model. You can either match the model on the back of the system to the chart below, or look on the system's box under features; it will say whether or not the system is backwards compatible.
