survival. There are many scouting knots that are available.

any people may be surprised to know a specific knot can be used for a particular task. The only thing you need to do is research the scouting knots that you can use. You can use a knot to secure any objects or simply be a decorative accessory displayed on a gift.

There are many ways to learn how to tie scouting knots. The hands on approach is the best option as an individual can see exactly what they are doing. All you need is a video or an illustration to know how a particular type of knot is supposed to be tied.

A complete list of scouting knots can be found on mentalscoop.com here...
