Below are many videos that come from a YouTube Channel – [southernprepper1](#). *Southerprepper1* places and emphasis on preparing for a **WROL** (without rule of law) situation and quite often focus's on preparing for such an occurrence in a retreat. The information is vast and second to none.

Here are the [southernprepper1](#) videos (oldest to newest):

Up to date as of 8/13/2011

- [Retreat Security](#)
